

Welcome FUZE Members!

I would like to personally take this opportunity to **congratulate** your choice to offer all the benefits of FUZE to your child. As a father of two, a youth coach, and one familiar with the healthcare system for nearly 20 years, I understand the choices to further the health, recreation, and fitness of your child often present an important decision-making process. Be assured, you have chosen wisely and I **thank you** for you for your confidence.

Our goals are to provide for both a *positive* coaching experience grounded in fundamentals of appropriate fitness and conditioning for your child, as well as a variety of diverse, spirited, cutting-edge technology to combine for *the ultimate health club*. Whether you have elected *group*-based coaching or one-on-one *personal* training with our staff, we will strive to offer ongoing communication, periodic progress reporting, and a caring and secure environment at all times.

Please take a moment to review all information within this Welcome Packet and also familiarize yourself with our website at www.fuzefit.com for more details. Included herein you will find the following information for your and your child's review:

- **Club Rules for Students** and **Policies for Parents**
- Ongoing discounted Programs and Special Events for Members including: **Camps, Parents' Night Out, Birthday Parties, P.E. Class Field Trips**, and other, specialized services (incl. Nutritional Support, Advanced Testing, and Team Sports Training Programs)
- FUZE **Rewards Program** details including how to earn and redeem FUZE BUCK\$ and the FUZE **Referral Program** for Members to receive bonus benefits

Of course, we welcome your comments, suggestions and host an open-door policy at all times. The *highest compliment* we receive is your **recommendation** of our program and services to a friend, classmate or neighbor – just ask for a **free GUEST PASS** – as we look forward to exceeding your expectations today and tomorrow!

Best in Health!

David James, MSc. ("Dave")
